

Booking an Immigration Medical with Nelson Family Medicine

- Immigration medicals can be booked by phone or in person. If it is convenient for you to come to Nelson Family Medicine and make a booking in person this often works best.
- We require payment before the examination (the best time for payment is when you make your booking). We offer credit card facilities (in person or over the phone) as well as internet banking.
- For internet banking use your name as a reference. Our account number is 03-0751-0391516-00
- Appointments can be rescheduled or cancelled with no penalty, providing this is done more than 24 hours before your appointment. This is because of the amount of time we need to reserve for your medical. The fee is only refunded (in full) if the booking is cancelled with more than 24 hours' notice. No refunds are given if you fail to attend your scheduled appointment.

3 easy steps for your Immigration Medical

- 1) Medical Examination and Assessment - Nelson Family Medicine
- 2) Chest Examination - Pacific Radiology
- 3) Blood Test - Medlab Nelson

The 3 health professionals you require to complete your Immigration Medical are all on Collingwood Street in Nelson City.

All 3 clinics are within 500 metres of each other and within easy walking distance.

Chest Examination Pacific Radiology
