

Booking an Immigration Medical with Nelson Family Medicine

- Immigration medicals can be booked by phone or in person. If it is convenient for you to come to Nelson Family Medicine and make a booking in person this often works best.
- We require payment at the time of booking. We offer credit card facilities (in person or over the phone).
- Appointments can be rescheduled or canceled with no penalty, providing this is done more than 48 hours before your appointment. This is because of the amount of time we need to reserve for your medical. The fee is only refunded (in full) if the booking is canceled with more than 48 hours' notice. No refunds are given if you fail to attend your scheduled appointment.
- Please bring your passport and arrive approximately 15 minutes before appointment. This allows time to process your paperwork.
- NO passport = NO appointment.
