New Patient Enrolment Procedure

Enrol at our Practice by filling in the enrolment form. Everyone requires a form.

Everyone over 16 MUST sign their own form.

You cannot enrol someone else (apart from your children).

Once you have provided the required ID you will get subsidised Health Care.

Until then you will be charged the casual rate.

If it is not clear what ID is required please ask our reception staff. The requirement is set by the Ministry of Health.

Notes are then requested from your previous surgery.

On receipt of your notes, you will be rung to come in to see one of our Practice Nurses for a new patient appointment.

The Practice Nurse appointment will take 30 minutes and there is a \$32 charge for this.

A Doctors appointment will normally not be made until the notes have been received and a new patient appointment has been completed.

Proof of Eligibility to Enrol as a New Patient

From May 2011 The Ministry of Health require us to see proof that **all** patients enrolling in a New Zealand General Practice are eligible for patient subsidies.

This means that we need to see the following documentation **before** we can enrol any new patients.

Until this is completed the patient can't receive subsidised Health care.

A) New Zealand Birth Certificate and 2 forms of Identification (I.D.)
